

These are the minutes of the Special Meeting of the Board of Supervisors held on Saturday, Jan. 29th, 2005. Members present : Chairperson Sanders, Supervisors Meixner and Nies and Clerk Miller.

Sanders called the meeting to order at 9:00 a.m.

The purpose of the meeting was explained to those in attendance that, under the Nuisance Ordinance, a letter had been sent to Mr. Donald Bong in regards to cars and debris on his property. There was then a motion by Sanders, seconded by Nies to adjourn so they could visit the Bong property and they would re-convene at 9:30 a.m.

Sanders called the re-convening of the meeting to order at 9:30 a.m.

Nies stated that there was no discussion on the property and Mr. Bong came back to the town hall to see what decision the Board would make.

There is a school bus on town property which Mr. Bong said he would remove.

Sanders noted that there are eight (8) vehicles, seven (7) which have plates, three (3) which have collector plates. There is a Suburban on a barrel and debris on the north end of the property, insulation car parts, etc. Sanders stated his concern that all this debris could cause a public health problem.

Sanders strongly encouraged Mr. Bong that he remove the building materials, car on barrels, parts and other debris from the property.

In fairness to Mr. Bong there was a motion by Nies, seconded by Sanders to give Mr. Bong until April 15th, 2005 so that the Board will not have to take further action.

There was then a motion by Nies, seconded by Meixner to adjourn at 9:45 a.m. Motion carried. Shirley Miller, Clerk
